

About this website & *His Healing Love* THE COLLECTION

On the VISION page you will find the Vision of this ministry, Core Beliefs, DAY OF PRAYER (generational and personal repentance and renunciations), A Dream to start a *Healing Streams Retreat Center*, *our Hope in Jesus*, and my book-in-progress *Navigating the Maze*.

If you want to know more about the songs, feel free to go to LYRICS & LEAD SHEETS (you can print any of these for free). You'll also find ideas for how to use this music in your ministry. There's also a chart there with all of the titles of the songs on each album. There are also 2 indexes—one with where you can find various Abuse Topics and another where you can look up the Characteristics of God in THE COLLECTION. It took four years to write the songs and have them edited in a wonderful writer's group and later critiqued by two pastors, two therapists, and a dean of a seminary. These lovely people shared many thoughtful suggestions. The recordings took from 2008-2012 (please see the RECORDING TEAM page to see the amazing team of people who contributed).

At the MUSIC STORE, CDs #1-5 all have new and different songs. CD #6 contains songs from CDs #1-5 that are just about God's love. So if you or a friend aren't ready for a healing journey yet but just need a deep sense of God's love, perhaps you will want to start with CD #6, *Gentle Shepherd*.

On the RESOURCE page, you'll find a list of books, songs & videos, and scriptures that touched me, as well as ministries that helped me on my healing journey. *May they be a blessing to you as well!*

The MINISTRY page lists past ministry opportunities, what others have said about my songs and ministry, and what kinds of ministry I'm considering now (2020). If you're interested in requesting ministry, you can look here and also at the CONTACT page.

Many friends and beloved intercessors prayed faithfully and encouraged me while I healed, created, and recorded.

All nature photos on the banners and elsewhere are mine. They are part of my *glorysong* NATURE COLLECTIONS.
