

## **Shattered Mirror**

**Little baby ripped to pieces--  
Heart shattered as shards of glass  
Mirroring devastation and anguish  
Horror thrust into her by pernicious hatred  
Convulsing, tearing through body and soul.**

**Hope for repair?**

**One Lamb, more powerful than devouring lion**

**Humbly bends to gather sharp shards  
Restoring the glass  
To reflect His radiant glory.**
